bourne, Hermis, Sensational testimony was introduced this afternoon at the inquest on the death of Albert C. Latimer in Borough Hall, Brooklyn,

Three nurses and two doctors at St. Mary's Hospital, where the man died,

Byron Latimer, brother of the murdered man, brought the name of W. H. Tuthill prominently into the case. He said the dving man asked him: "IS TUTHILL BEING WATCHED?" Tuthill had been ordered from the house two years ago. Tuthill was found last night at White Lake. Sullivan County, and served with a summons to attend the inquest.

Byron Latimer admitted that in his delerium his brother had TALKED ABOUT A DIVORCE. He added that he had asked his brother's permission to keep Tuthill out of the house-Tuthill having appeared there after the shooting. Miss Fanny Latimer told of meetings two

Mr. and Mrs. Jerome B. Shore testified that they heard the outery "HE IS ABUSING ME!" made by a woman just before the shots were fired. Louis Harper told the Coroner he heard a woman say: "DON'T, WALTER! OH, DON'T, ALBERT!" just before the shots were fired. Mrs. Latimer told a dramatic story of the shooting, declaring that it was

the work of a burglar. She admitted having had some words with her husband about Tuthill about two years ago. Mrs. Latimer's niece, Miss Venning, said she saw a man run after the shooting and that he was not a frequenter of the house or any one

essie Miles declared that Tuthill's picture was in Mrs. Latimer's bed room and that of Latimer was hidden in the closet.

William H. Tuthill, when subpoensed at White Lake, N. Y., by Detective-Sergeant Brady, told the officer that he had visited Latimer in the hospital after the shooting and that the wounded man was glad to see him. He added that they had always been good friends and that nobody was more anxious than he to find the murderer.

The inquest was adjourned until 8 o'clock Monday evening.
